Good morning Emily,

Please see the latest correspondence from the binding company. I also think Roberto called and spoke with someone (Pam?) in November (20th?). I don't know what was decided, if anything, during that call.

Thanks for your patience with this.

Hi Susan,

Have you received any other updates from Robert or Marlin regarding the status of the bond?

Thank you,

Hi Marlin,

Thanks for your help with this. Roberto needs to send Pamala Vazquez (Pamala.Vazquez@dep.state.fl.us) an email explaining the delay, and providing whatever information he has showing progress.

Thanks,

Fyi. If Roberto doesn't respond to this, DEP will probably deny his application.

Good afternoon, Mr. Vargas- My name is Pamala Vazquez and I am the Permitting Program Administrator for the Department of Environmental Protection's Southwest District. I have tried to call you several times but received a recording with no ability to leave a message. The number I am calling is: 939-630-1102.

It is my understanding that we have been attempting to finalize information needed to continue forward with your waste tire processing facility application. We are now almost three weeks past the agreed upon deadline and have not had success contacting you.

Please let me know if it is your intent at this time to withdraw your permit. Thank you very much, Pamala Vazquez

Mr. Vargas:

Please find attached the final reminder of the Department's Request for Additional Information with regards to your permit application for a waste tire processing facility. As stated in the attached letter, the final deadline to provide the requested additional information is **October 30, 2020**.

Please let me know if you have any questions.

Thank you,
