Hi Emily

We are currently working now with a different company to try to get the Bond needed I have attached him on this email as well he is just waiting on our financial statements that he will have here shortly to see if approved or see what route we will need to take.

Hi Marlin,

Can you please provide an update on the status of the bond?

Thank you,

Emily Wargo

Hi Marlin,

Yes it is a closure bond, but Tor Bejnar in Tallahassee can explain it better than I can. The bonding company can contact him directly for more information.

Thanks,

Susan Pelz

Hi Suzan

Do you know exactly what type of bond we need to provide?

HI Marilyn – I'm working on this bond for you, it appears this information you sent me from the DEP is for a facility closure bond.

Are we closing a facility? I was under the impression that you needed a bond for the Waste Tire Disposal Fees for the City of Haines City?

Am I not correct, you actually have a waste facility that is being closed and the DEP is requiring a Closure bond? If so, I don't have a market for Closure bonds...

Did Viking Bonds no provide any help in placing the bond for you? Thanks for your help.

Dear Ms. Moore:

A quick overview of Solid Waste Financial Assurance can be found in the introductory [12-slide PowerPoint \(pdf\) presentation](#) on our [Financial Assurance website](#). DEP forms must be used and are available on our [Forms and Form Guidance](#) page.

Some specifics for the Robert and Sons tire facility that needs to be covered:

What needs to be covered: Closing

Principal (owner or operator): Robert and Sons Tires Corp. [exactly as identified in Sunbiz.org, except for capitalization]

Type of legal entity: corporation

FDEP I.D. No.: WACS 73750

Facility Name: RJ Tires

Site Address: 507 Nilsen St., Haines City, Florida

Cost estimate that must be covered (minimum Penal Sum of bond): \$49,147.74

Please contact me directly if you have any questions. I'll be happy to provide a courtesy review of a pre-signed copy of a bond.

Dear Mr. Vargas:

Remember: when using a surety bond for financial assurance, a standby trust fund agreement must also be established and maintained. If your bank is not interested or eligible to provide this documentation, you might want to look at the [Provider Companies](#) list on our website.

Please contact me if you have any questions.

Hi Mr.Tor and Ms Susan

We are working with Samantha from Viking bond service

And as you can read below she is still needing some info and I was wondering if we can get some assistance from either one so we can get this taken care of.

Thanks for all the help.

Hello,

I am working on the request for the Facility closure bond you sent an application over for. I am still needing some more information to see what the bond requirement is and bond forms.

From the info you provided, it looks like the bond would be required by Haines City, FL, I think. That is who we would be making the bond payable to in the event of claims. We need to know what the bond requirement is that surety is going to be backing. Please provide something from Haines City, that shows the bond requirement and includes a bond form they require or a sample of a bond they have accepted in the past.

COVID-19 Notice - The CDC and the State of Arizona have recommended that employees work from home if at all possible and therefore the majority of our staff will be following these guidelines. We are fully staffed and can respond immediately, however there may be delays that exist outside of our control. We thank you for your patience during this time.
