All,

As a courtesy notification, the Manatee County Solid Waste Division anticipates on Monday October 18, 2021 to begin excavating sub-sequence 4A within the Lena Road Landfill Stage II disposal area as shown within the permitted Fill Sequence Plans dated March 22, 2021. Upon completion of excavation, the County will submit the required Certification of Construction Completion documents as indicted within the permit prior to placement of waste.

Thank you.
