DEP Application No. 38414-019-SO-MM: Leachate Storage Tank Replacement

Dear Mr. Simpron:

Thank you for your application for modification of permit number 38414-018-SO-01. The application dated June 29, 2022 was prepared by SCS Engineers and submitted to the Department on July 5, 2022. A Department staff review of the application and supporting documentation submitted on July 5, 2022 indicates the application is incomplete. Pursuant to the provisions of 62-4.055, F.A.C. please provide the requested information listed below and refer to this correspondence in your response.

- Application, Introduction, (pdf page 44 of 300) and Section G, (pdf page 59 of 300). Provide information to demonstrate the proposed above ground leachate storage tanks will comply with the requirements of Paragraph 62-701.400(6)(c). Regulation reference: Paragraph 62-701.400(6)(c), F.A.C. and Application Form Part G.5(b).

The response to this correspondence must be signed, sealed, and dated by a registered Florida Professional Engineer. In order for the Department to continue processing your application, please submit the requested information as soon as possible. The Department must receive a response within 90 days of the date of this letter, November 1, 2022. You are encouraged to contact this office to discuss the items requested to assist you in developing a complete and adequate response. Please note that pursuant to 62-4.055(1), and Section 120.60, Florida Statutes, failure of an applicant to provide the timely requested information by the applicable
