RE: Manatee County Lena Road Class I Landfill  
Subsequence 5B Expansion Certification of Construction Completion  
Permit Number 39884-021-S0-01  
WACS No.: 44795

Dear Mr. White,

The Department has reviewed the following information prepared in support of the Certification of Construction Completion for the Subsequence 5B Expansion Construction at the Manatee County Lena Road Class I Landfill:

- Certification of Construction Completion Report Subsequence 5B Expansion dated and received January 30, 2023. Prepared by SCS Engineers.

Based on the Department's review of the construction certification report referenced above the Subsequence 5B Expansion was constructed substantially in accordance with the approved design and construction requirements of Permit Number 339884-021-S0-01. The Department therefore has no objection to the certification of construction completion of the Subsequence 5B Expansion Construction at the Manatee County Lena Road Class I Landfill.
