Request to Submit Odor Remediation Plan

Dear Mr. Laurencio:

On February 5, 2009, the Department received an odor complaint from an off-site resident related to Friends Recycling, LLC facility. On February 10, 2009, you faxed us a summary of your on-site meeting with the complainant. You agreed to use additional cover material as a method to alleviate the odor problem. Because objectionable odors were detected beyond the disposal facility property you are required to implement corrective activities at the facility.

In accordance with Rule 62-701.530(3)(b), F.A.C., and Specific Condition No. 25 of your solid waste permit number SO42-0019600-007, we are requesting the following:

1. Implement a routine odor monitoring program to determine the timing and extent of any off-site odors;
2. Within 30 days of receipt of this letter, submit an odor remediation plan for approval. The plan should describe the nature and extent of the problem and the proposed remedy. The remedy shall be initiated within 30 days of approval.

Please contact Gloria-Jean DePradine or Sandeep Janwadkar at 407-893-3328 or me by telephone at (407) 893-3994 or by e-mail at gloria.depradine@dep.state.fl.us, or sandeep.janwadkar@dep.state.fl.us, if you have any questions or need additional information.

Sincerely,

F. Thomas Lubozynski, P.E.
