REMARKS:

Ms. Gaskin,

Please find attached the SCLF Waste Tire Processing Facility Permit Renewal Application Response to Second Request for Additional Information – Revised Financial Assurance and Cost Estimate Back-Up Data. Please use these revised documents to replace the existing Attachment R.5 of the previously submitted SCLF Waste Tire Processing Facility Permit Renewal Application Response to Second Request for Additional Information. Thank you.

DEP Form # 62-701.900(28)
Form Title: Closure Cost Estimating Form For Solid Waste Facilities
Effective Date: January 6, 2010
Incorporated in Rule 62-701.630(3), F.A.C.

CLOSURE COST ESTIMATING FORM FOR SOLID WASTE FACILITIES

Date of DEP Approval: _____

I. GENERAL INFORMATION:

Facility Name: Hillsborough County Southeast County Landfill - Phases I-VI WACS ID: SWD/29/41193
 Permit Application or Consent Order No.: 35435-014-SO/01 Expiration Date: 12/29/2013
 Facility Address: 15960 CR 672 Lithia, FL 33547 (8.8 miles east of U.S. 301 on County Road 672)
 Permittee or Owner/Operator: Hillsborough County Solid Waste Management Department
 Mailing Address: P.O. Box 1110, Tampa, FL 33601

Latitude: 27° 46' 26" North Longitude: 82° 11' 01" West
 Coordinate Method: AutoCADD Survey Datum: NAD 83
 Collected by: Pickett and Associates Company/Affiliation: Jones Edmunds (Engineer)

Solid Waste Disposal Units Included in Estimate:

Phase / Cell	Acres	Date Unit Began Accepting Waste	Active Life of Unit From Date of Initial Receipt of Waste	If active: Remaining life of unit	If closed: Date last waste received	If closed: Official date of closing
Phases I-VI	162.4	1984	38.75 years	12.75 years	N/A	N/A
Waste Tire Site	16,107 tn	N/A	N/A	N/A	N/A	N/A

Total disposal unit acreage included in this estimate: Closure: 162.4 Long-Term Care: 162.4

Facility type: Class I _____ Class III _____ C&D Debris Disposal
 (Check all that apply) Other: _____

II. TYPE OF FINANCIAL ASSURANCE DOCUMENT (Check type)

_____ Letter of Credit* _____ Insurance Certificate _____ Escrow Account
 _____ Performance Bond* Financial Test _____ Form 29 (FA Deferral)
 _____ Guarantee Bond* _____ Trust Fund Agreement

* - Indicates mechanisms that require the use of a Standby Trust Fund Agreement

III. ESTIMATE ADJUSTMENT

40 CFR Part 264 Subpart H as adopted by reference in Rule 62-701.630, Florida Administrative Code, (F.A.C.) sets forth the method of annual cost estimate adjustment. Cost estimates may be adjusted by using an inflation factor or by recalculating the maximum costs of closure in current dollars. Select one of the methods of cost estimate adjustment below.

(a) Inflation Factor Adjustment

Inflation adjustment using an inflation factor may only be made when a Department approved closure cost estimate exists and no changes have occurred in the facility operation which would necessitate modification to the closure plan. The inflation factor is derived from the most recent Implicit Price Deflator for Gross National Product published by the U.S. Department of Commerce in its survey of Current Business. The inflation factor is the result of dividing the latest published annual Deflatory by the Deflator for the previous year. The inflation factor may also be obtained from the Solid Waste website www.dep.state.fl.us/waste/categories/swfr or call the Financial Coordinator at (850) 245-8706.

This adjustment is based on the Department approved closing cost estimate dated: _____

Latest Department Approved Closing Cost Estimate:	X	Current Year Inflation Factor	=	Inflation Adjusted Closing Cost Estimate:
_____		_____		\$0.00

This adjustment is based on the Department approved long-term care cost estimate dated: _____

Annual Long-Term Care Cost Estimate:	X	Current Year Inflation Factor	=	Inflation Adjusted Annual Long-Term Care Cost Estimate:
_____		_____		\$0.00
Number of Years of Long Term Care Remaining:			X	_____
Inflation Adjusted Long-Term Care Cost Estimate:			=	\$0.00

(b) Recalculated or New Cost Estimates (see Section IV)

IV. ESTIMATED CLOSING COST (check what applies)

Recalculate Cost Estimate

New Facility Cost Estimate

**** For the time period in the landfill operation when the extent and manner of its operation makes closing most expensive.**

**** Cost estimate must be certified by a professional engineer (see Section VI).**

**** Costs must be for a third party providing all material, equipment and labor which is at least at fair market value.**

**** In some cases, a price quote in support of individual item estimates may be required.**

VI. CERTIFICATION BY ENGINEER

This is to certify that the Cost Estimates pertaining to the engineering features of this solid waste management facility, known as the Southeast County Landfill Phases I-VI, have been examined by me and found to conform to

Facility Name

engineering principles applicable to such facilities. In my professional judgment, the Cost Estimates are a true, correct and complete representation of the financial liabilities for closing and long-term care of the facility and comply with the requirements of Florida Administrative Code (F.A.C.), Rule 62-701.630 and all other Department of Environmental Protection rules, and statutes of the State of Florida. It is understood that the Cost Estimates shall be submitted to the Department annually, revised or adjusted as required by Rule 62-701.630(4), F.A.C.

PROPOSAL

SUBMITTED TO:	Jones Edmunds 324 South Hyde Park Ave Suite 250 Tampa, FL 33606	DATE:	April 19, 2010
ATTENTION:	Jocelyn Morales <i>MATTHEW M. ELLIS</i>	PHONE:	813-258-0703
		Fax:	813-254-6860

WE HEREBY SUBMIT OUR QUOTE FOR THE FOLLOWING:

Walking floor transportation from South East County Landfill, Lithia, FL to TMR, Port of Tampa, Tampa, FL at a rate of \$ 8.25 per ton with a 21-ton minimum.

Walking floor transportation from South East County Landfill, Lithia, FL to Wheelabrator Ridge Energy, Auburndale, FL at a rate of \$ 240.00 per load.

Fuel surcharge will be in accordance with the Department of Energy's (D.O.E.) east coast fuel average.

TERMS & CONDITIONS

1. Equipment ordered not used will be priced on a case-by-case basis.
2. Demurrage: 1/2 hour free loading and unloading, \$75.00 per hour thereafter.
3. Customer is responsible for all applicable taxes.
4. Quote is good for 30 days from date of proposal.

***** PLEASE SIGN AND RETURN IF AGREED *****

WE PROPOSE hereby to furnish transportation only - complete in accordance with above specifications for the sum of
-- listed above -- dollars (\$ _____)

Payment to be made as follows: from date of invoice: net 21 days
All material is guaranteed to be as specified. All work to be completed in a substantial workman like manner according to specifications submitted, per standard practices. Operations

Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents, or delays beyond our control. Note: This proposal may be withdrawn by us if not accepted within 30 days.

Thank you Jerry. I apologize, but I actually thought of one more question after I got off the phone with you. Does your company accept shredded tires, and if so, what is the price (per ton)?

Thanks again.

To: Matt Ellis
Subject: Daily Rate for Loader/Operator

From: David Atkins [mailto: Dave@KeystoneExcavators.com]
To: Matt Ellis , Jones Edmunds
Subject: Daily Rate for Loader/Operator

As a follow-up to our phone conversation, the cost for a **Loader and Operator** is

\$ 700.00 per 8-Hour Day (We would work by the Day, it would not be cost-effective or feasible for us to work by the Hour).

And a move-in / **transport charge of \$ 750.00** (to travel to East Hillsborough County), per Move-in

The Loader would be a **Caterpillar 936**, or industry equivalent, with a loading bucket capacity of **3 Cubic Yards**. This proposal would be the cost for loading of normal Fill Dirt, Base, Rock or Trash materials.

Please get back to me if you need any more information on this proposal.
