Re: Lee County - SW
Lee County Solid Waste Energy Recovery (WTE) Facility
Lee County Construction & Demolition Debris Recycling Facility
Demonstration of Compliance
WACS ID No. 93715

Dear Mr. Sampson:

The Department has reviewed the Post-Certification Submittal for the proposed Lee County Construction and Demolition Debris Recycling Facility (CDDRF). This Construction/Operation permit application package, prepared by the Lee County Solid Waste Division, was dated March 31, 2010 with supplemental information dated June 15, 2010. The application form and supporting data were submitted to meet Specific Condition K in Section B of the Lee County Solid Waste Energy Recovery Facility (SWERF). The application and supporting data were determined to be in compliance with Condition K of the SWERF Conditions of Certification and Florida Administrative Code (F.A.C.), Rule 62-701.710. Therefore, your application for the Construction and Demolition Debris Recycling Facility is approved.

Should you have any questions, please contact Don Forsberg at (239) 332-6975, extension 185, or at Donald.Forsberg@dep.state.fl.us.

Sincerely,

Charles Emery III
Environmental Administrator
