RE: Lena Road Landfill Quarterly Waste Tire Processing Facility Report
Fourth Quarter – 2009
Waste Tire Permit #126654-003-WT/02

Dear Ms. Pelz:

Enclosed is the above referenced report for the period of October 1, 2009 to December 31, 2009. The supporting reports are generated from scale house data. Only pertinent information from the report is included with the waste tire report. This data includes Tires In, Tires Out, Illegal Dumping – Tires. They are defined as follows:

- **Illegally Dumped – Tires:** Tires illegally dumped within Manatee County then subsequently picked up and delivered to the Landfill by various public agencies.
- **Tires Out:** Tires which are removed from the waste tire storage area by the County's contracted vendor for processing.
- **Tires In:** Tires delivered to the Landfill by the general public.

All tires delivered to the Landfill are stockpiled and subsequently removed from the site. No processing or consumption of tires occurs at the Landfill. Therefore, processed, adjusted, and consumed tires have been recorded as zero. All other tire categories have been entered where appropriate. All tires recorded for this report are considered used tires.

If you should have any questions or need additional information, please feel call me at 941-798-6760.

Sincerely,

Jeanne' Detweiler
Fiscal Analyst
