Re: IESI-BFC Ltd. and Waste Services, Inc. Merger

Dear Mr. Lubozynski:

I am writing you as a courtesy notification and for your file record that IESI-BFC Ltd. and Waste Services, Inc. have completed their merger which establishes North America's third largest solid waste management company. As you are aware, Florida Administrative Code (F.A.C.), 62-701.320(10)(b) states *"A transfer of permit is also not required solely as a result of the sale of stock or assets or a change of operating personnel, as long as ownership or control of the facility has not changed."*

All of our facilities and their related permits will remain under the same ownership, control and operating entity as listed on the permit. Waste Services, Inc., the parent company and sole owner of the entities listed below, is now an indirect subsidiary of IESI-BFC Ltd. Below is a list of the facility name, operating entity and WACS ID in your District:

- J.E.D. Solid Waste Management Facility – Omni Waste of Osceola County, LLC – WACS No. 89544
- Groveland Transfer and Recycling Facility – Groveland Transfer and Recycling, Inc. – WACS No. 90722
- Sanford Transfer and Recycling Facility – Sanford Recycling and Transfer, Inc. – WACS No. 90926
- Taft Waste Processing and Transfer Facility – Taft Recycling, Inc. – WACS No. 87104

If you have any questions or require additional information, feel free to contact me at (904) 673-0446 or [mkaiser@wsii.us](mailto:mkaiser@wsii.us) at your earliest convenience.
