Waste Tire Processing Facility Application
EMA – Lake Wales Ridge

Dear Mr. Reisig:

This is a follow up to your meeting with the Department on August 7, 2003. During the meeting, violations noted in the Department's letter of July 25, 2003, copy enclosed, were discussed.

At the conclusion of the meeting, it was agreed that violations would be considered resolved if you applied for a permit to operate the business as a waste tire processing facility. To date, we have not heard from you or your engineer of choice concerning submittal of the permit application.

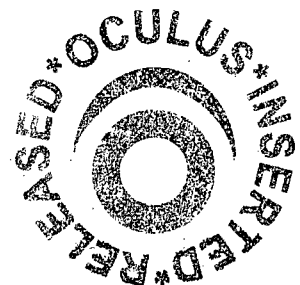

Please contact Ghous Minhaj or Bill Krumbholz of this office at (239) 332-6975 within five (5) days of receipt of this letter to further discuss this matter. Your cooperation is appreciated.

Sincerely,

Philip A. Barbaccia
Environmental Administrator
